WORK EXPERIENCE

GRAPHIC & UI/UX DESIGNER & FRONTEND DEVELOPER 03/2024 to Current
Unlimited Remit, Kathmandu

- Designed engaging visuals for branding, marketing, and social media content.
- Created UI/UX designs for web and mobile apps using Figma.
- Conducted user research, wireframing, and prototyping to enhance usability.
- Ensured consistent brand identity across print and digital assets.
- Supported front-end development only to translate design to implementation.

UI/UX DESIGNER & FRONTEND DEVELOPER 02/2023 to 02/2024
Nepalfilili, Lalitpur

- Designed wireframes and mockups for websites and dashboards in collaboration with the team.
- Focused on creating clean, user-friendly interfaces based on design best practices.
- Built responsive UI components using HTML, CSS, and React.
- Participated in UX research and implemented user feedback into design revisions.
- Supported frontend integration to ensure seamless data interaction in the interface.

3D MODELING AND TEXTURING ARTIST 01/2021 to 01/2023
MAYA Animation Studio, Kathmandu

- Created detailed **3D models** of characters and environments.
- Applied realistic and stylized textures, including UV mapping.
- Worked on UV mapping, texturing, and rendering for final visual outputs.
- Collaborated with animators, texture artists, and directors to ensure visual alignment with project goals.

GRAPHIC DESIGNER 01/2020 to 11/2021
Maitreya Bodhi Home Care & Clinic, Kathmandu

- Designed high-quality print and digital artwork including logos, brochures, advertisements, and pamphlets.
- Developed layout designs for various media including social platforms.
- Developed layouts for digital and print campaigns.
- Retouched and prepared designs for marketing use.
- Took initiative in design planning and led small projects.
